1996 Buick Riviera Engine

The Buick Riviera is a personal luxury car that was marketed by Buick from 1963 to 1999, with the exception of the 1994 model year.. As General Motors' first entry into the personal luxury car market segment, the Riviera was highly praised by automotive journalists upon its high-profile debut. The ground-up design that debuted for 1963 was also Buick's first unique Riviera model, and it ...
