Re: Zodiac Projct manual If you still have the manuals and can stomach another new guy asking for a copy I could really use anything I can get my hands on. I just purchased a projet 420 that needs engine work. I know its the Yamaha engine but would like the zodiac service manuals also. Thanks so much. ricmicmac@msn.com

I have a Zodiac Projct 350 and it has been running fine and starts instantly until this past weekend and now it does not start and the engine will not even turn over. We have checked the battery, the neutral switch and kill switch and they are all fine and the solenoid clicks so we think it is the starter or the computer control.
