## Answer Series Maths

Maths teacher Anne Eadie created The Answer Series when she first became a full time mother. Even though she would no longer work in the classroom, she promised to keep improving the lives of young learners. Good things stay forever – I bought the answer series back in 1988 and I did so well in matric.

### **CBSE Term 1 Maths Answer Key 2021 Class 10 Standard Basic**

Answer: It should be noticed that this problem actually involves two infinite geometric series. The first series involves ball falling and the other series involves ball rising after rebounding from the ground. Falling:  $a_1 = 24$  ,  $r = 3/4$  . Rising:  $a_2 = 24(3/4) = 18$  ,  $r = 3/4$  . Using the formula for infinite geometric series,  $S =$
