Course From Scratch

This year I released an e-book called Authorpreneur: How to Build a Business Around Your Book. I originally blogged it as a series over a period of about six weeks. Next month, I'll release another short blogged e-book called Blogging Basics for Authors. That took me about three months to write on my blog as a sequence of "lessons."

71 Ways to Promote and Market Your Book - Your Writer Platform

The Industrial Revolution was the transition to new manufacturing processes in Great Britain, continental Europe, and the United States, in the period from about 1760 to sometime between 1820 and 1840. This transition included going from hand production methods to machines, new chemical manufacturing and iron production processes, the increasing use of steam power and water power, the ...
