LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Disable Anti Theft System Chevy

Ford vehicles use both an active and passive antitheft system. The passive system, comprised of an ignition key embedded with a transponder that signals the engine to start, cannot be altered by anyone other than a licensed dealership. The active system, a factory alarm, only takes minutes to disable and reset when needed.
