it is at the top of the American legal system, was created by Article III of the Constitution, is the last resort in questions of federal law, isn't required to hear all cases presented before it, has final authority in cases involving the Constitution, acts of Congress, & treaties with other nations, and its decisions are binding on all lower ...

Chapter 11- The Federal Court System - Government with ...

The federal court system has three main levels: district courts (the trial court), circuit courts which are the first level of appeal, and the Supreme Court of the United States, the final level of appeal in the federal system. There are 94 district courts, 13 circuit courts, and one Supreme Court throughout the country. Courts in the federal system work differently in many ways than state courts. The primary difference for civil cases (as opposed to criminal cases) is the types of cases ...

Chapter Summaries

With the exception of the Supreme Court, the Constitution left the organization of the federal court system up to Congress. Congress accomplished this task through the Judiciary Act of 1789, which created the three federal court levels: the district courts, the courts of appeal, and the Supreme Court. In addition, legislative and special courts deal with specific types of cases involving narrow legal issues.
