First Frost Mythos Academy 05

Green Lantern is the name of several superheroes appearing in American comic books published by DC Comics. They fight evil with the aid of rings that grant them a variety of extraordinary powers, all of which come from imagination, fearlessness and/or emotional willpower. The characters are typically depicted as members of the Green Lantern Corps, an intergalactic law enforcement agency.

Skip the intro, take me straight to the book list... How long has the series been going? Barnes and Noble brought out their original series of collectible 'exclusive' leather-bound classic editions in 1992. The contents were mostly omnibus editions (with several titles by the same author in a single book) and the bindings were very traditional, with dark (bonded) leather covers featuring ...
