What impact to public-private partnerships have on ...

A product that is purchased for personal or family consumption or as a gift is a consumer good. If that same product, such as a PC or a cell phone, is bought for use in a business, it is a business product. Some common items that are sold as both consumer goods and business products are office supplies (e.g., pens, paper, and staple removers).

quiz answers Flashcards | Quizlet

Public good in economics refers to a product or service that doesn't have a set purpose, but rather a purpose which is defined or decided by society.
