Hitachi 50v500a Owners Manual - WordTail

I've got a 46" Hitachi rear projection LCD TV and as of late there has been a blue area near the center of the screen that has gradually been getting larger. I ignored it for a while and now additional areas are starting to appear on the sides. It might be my imagination but it also seems like the original spot is getting bigger, and expands the longer the TV is left on.
