Behavior (OB) can be defined as the understanding, prediction and management of human behavior both individually or in a group that occur within an organization.

Internal and external perspectives are the two theories of how organizational behavior can be viewed from an organization's point of view.

Introduction to  
Organizational  
Diversity We often hear  
the term “diversity”  
bandied about in our  
everyday usage.  
Usually, when we come  
across the term, it is in  
the context of having a  
mix of gender, race,  
ethnic, sexual  
orientation etc in a  
setting wherein there is  
no discrimination  
based on these traits.
