Business law legal definition of Business law

Contract law is an area of United States law that involves agreements between people, businesses, and groups. When someone does not follow an agreement, it is called a "breach of contract" and contract laws allow you to take the problem to court. Contract law attorneys and a judge will discuss the case and determine a fair solution.

Contract Law - FindLaw

Information for small businesses. A small business can raise capital in a number of different ways, including by selling securities. Under the federal securities laws, every offer and sale of securities, even if to just one person, must either be registered with the SEC or conducted under an exemption from registration.
