you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

To find the correct manual, you must know the manufacturer and model number of your washer or dryer. The information can be found on a sticker on the back of the machine or just inside the appliance door. You can use the same guidelines to find a manual for any type of large or small household appliance.
