No Such Thing As Society

Reading Andy McSmith's No Such Thing as Society: A History of Britain in the 1980s one is struck by how alarmingly similar our current climate is to that of the 1980s presented here: high unemployment, stock market crash, riots in the streets, economic downturn, conservative politics, fraught inner-party politics, an unpopular war, a changing media culture, a royal wedding. This is, however, not a conclusion that McSmith encourages readers to take, but is something that seemed apparent to me.

No Such Thing as Society: A History of Britain in the ...

"There turned out to be no such thing as society, at least in the sense we used to understand it. Whether pushing each other off the road, barging past social rivals, beating up rival soccer fans, or idolising wealth as the only measure of virtue, Brits became more unpleasant to be with.

Margaret Thatcher: There's No Such Thing as Society Margaret Thatcher was Prime Minister of the United Kingdom from 1979 to 1990. During those years, she presided over a social revolution in which nationally owned industries were privatised and the welfare state was drastically reduced in size.

Margaret Thatcher: There's No Such Thing as Society - New ...

And so the words "there is no such thing a society" do not, as some claim, refer to a kind of selfish individualism in which fellow citizens and the collective good are ignored. Rather it refers to the empowerment and emancipation of the individual who, in the absence of an over-powering and stifling state, can achieve his/her potential when there is a genuine meritocracy and a level playing field.

No such thing as society - The Commentator

That "there is no such thing as society" reflects the idea that inter-dependent social systems and institutions bring a natural order to human affairs. Its details are evident in the common law, in rituals and in customs and practices handed down the generations.
