The process, which is outlined in Non-Obvious Megatrends, is designed to help anyone become a "speed understander" instead of a speed reader. It debatably works better when drinking coffee from a Minions mug ... I do often describe myself as a trend curator - because I believe you can predict the future through understanding the present.

Non-Obvious Megatrends

The answers to these questions may not be all that obvious, and that's exactly the point. This completely revised 10th Anniversary edition of Non-Obvious also offers an unprecedented look behind the scenes at the author's signature Haystack Method for identifying trends, and how you can learn to curate and predict trends for yourself.

Rohit Bhargava's Non Obvious Guide to Predicting the ...

Non-Obvious is all about detecting important trends, an essential part of running a business. You can't accurately predict the future by looking at obvious, surface-level influences - the important ones are hidden underneath.

Non-Obvious by Rohit Bhargava - Blinkist

As with the original version, this new edition of Non-Obvious also delves into the curation process the author has used for years to build his Trend Reports and takes readers behind the scenes of trend curation (much to the delight of past readers who have been asking about this for years), and show them the methodology they can use to predict the future for themselves.
