Old School Grit Times May

Grit is a magazine, formerly a weekly newspaper, popular in the rural U.S. during much of the 20th century. It carried the subtitle "America's Greatest Family Newspaper". In the early 1930s, it targeted small town and rural families with 14 pages plus a fiction supplement.

Grit (newspaper) - Wikipedia

I study grit because it predicts achieving goals, but I want to point out that grit is more relevant to some goals than others. In particular, grit predicts achievement in really challenging and personally meaningful contexts. Graduating from high school or college rather than dropping out is one example.
