"Red dirt heart" book 2 we get to see what happens with Charlie and Travis HEA. In this installment we see them adjusting to being a couple not quite in the open, but at least with the people they are comfortable with.

Red Dirt Heart 2 (Red Dirt, #2) by N.R. Walker

Red Dirt Heart was the first book of N R Walker I read and totally loved this second instalment just as much!! We met Travis and Charlie in book one and in book 2 I totally loved watching the ups and downs of living and working together 24/7, and seeing how they coped.

When I got to the end of the book, I found that there is a Red Dirt Heart 3 planned by the author. I love the idea of seeing more of these two sexy men working on their relationship in the midst of the Australian desert. One last note, love both covers. Just beautiful. My final determination on Red Dirt Heart 2 is 4.5 pieces of eye candy.

Would you listen to Red Dirt Heart 2 again? Why? I listened to both books in the Red Dirt Heart series, and would definitely listen to them again. Walker is the most skillful first-person writer I've encountered. I was well into the second book before I actually realized both books were in first-person.
