Engine Soon Light

## **Light Bmw**

The "Service Engine Soon" light in your BMW is similar to a "Check Engine" light in other cars. Your car has a computer which runs diagnostic tests while your car is running. If something comes back faulty or negative, the light comes on.

Engine Soon Light

"Service Engine Soon" light appears, it's time for routine service such as an oil change. The car's computer system integrates the amount of miles that have been driven with other variables to indicate when your car should be serviced. It's important that this light be reset, so it will illuminate properly the next time you need engine service.
