Analyzing Politics | Kenneth A Shepsle | W. W. Norton ...

Summary Book 4, Chapter 1 Although the term political science does not exist yet, Aristotle studies politics like a science, examining different regimes to see what they are doing well and what is lacking. It is difficult for a government to assess itself. Aristotle believes people should study the best regimes as well as those with potential to be the best; this is the route to improvement.

Shepsle Analyzing Politics Chapter Summaries

The book goes into detail about the rational choice model for analyzing politics. Many of the concepts in the book are things that I've learned in the context of past economics courses, and though some people refer to the rational choice model as the economic model of politics, in chapter one the authors are quick to dispute this belief and claim the model purely for politics.

Political Economy 301 - Murphy Institute

Analyzing Politics is the first book to explain rational choice theory in clear and concise English, rather than the murky language of most formal political theory. With this book, rational choice theory can be integrated into undergraduate courses throughout the discipline.

Analyzing Politics: Rationality, Behavior and ...

The youngest set of institutions to be analyzed in this chapter is already more than 100 years old. The history of the oldest system to be examined exceeds 1,000 years. The institutions discussed in this chapter have survived droughts, floods, wars, pestilence, and major economic and political changes.
