The Arms of Krupp - Wikipedia

The Arms of Krupp traces the history of the Krupp family from the beginnings in Essen. Manchester pieces together what is known about Arndt Krupp and explains the how grew the family estate by purchasing property during the height of plague outbreak. The family became a cornerstone of Essen participating or leading the local government.

Amazon.com: The Arms of Krupp: The Rise and Fall of the ...

THE ARMS OF KRUPP is William Manchester's massive biography of the Krupp Dynasty, beginning with the earliest records of the family in the 1500's to the death of Alfried Krupp in 1967, and the transformation of the Krupp company from a single owner concern to that of a corporation in 1968.

The Arms of Krupp: The Rise and Fall of the Industrial ...

The Krupp family were the premier German arms manufacturers from the middle of the 19th century until the end of World War II, producing artillery pieces and submarines that set the standard for effectiveness. This book relates the history of this influential company.

The Arms of Krupp, 1587-1968: The Rise and Fall of the ...

Even the Germans who are antagonistic to Krupp are up in arms about Manchester's book which tells presumably all-from the first Krupp (circa 1500) "a shrewd chandler with a keen eye for the main chance," through the family's incarnation by the sixth generation as "Essen's uncrowned kings," to the powerful weapons empire that armed Germany for three major wars, and finally the dissolution of die Firma.

THE ARMS OF KRUPP 1587-1968 | Kirkus Reviews

1661 The Arms of Krupp 1587-1968, by William Manchester (read 24 Sep 1981) I read this book while on a trip to Czechoslovakia. It is on the Krupp family, and the book was extremely interesting, and only seemed tiresome in the Hitler era, when Manchester goes to great lengths to show the tie-up with Hitlerian wrongs.

The Arms of Krupp, 1587-1968 by William Manchester ...

The trouble with The Arms of Krupp is that Mr. Manchester has tried to do simply everything. This paragraph, it seems to me, explains much, not just about Lehmann-Haupt's antipathy for the book, but also the antagonism of other reviewers. "No slain, no crime, no war" But, first, let's make something clear.

Book review: "The Arms of Krupp" by William Manchester ...

This book by the preeminent historian of our time tells the extraordinary 400 year saga of the family that provided arms to the Kaiser and to Hitler and in so doing wielded enormous power and influenced the course of world events. Synopsis. For the first time in Trade Paperback the massive, compelling book in which William Manchester brings to life Europe's richest, most powerful family, a 400-year dynasty that armed Germany in three major wars.

The Arms of Krupp: The Rise and Fall of the Industrial ...

The Krupp family, a prominent 400-year-old German dynasty from Essen, is famous for their production of steel, artillery, ammunition and other armaments. The family business, known as Friedrich Krupp AG, was the largest company in Europe at the beginning of the 20th century, and was the premier weapons manufacturer for Germany in both world wars. Starting from the Thirty Years' War until the end of the Second World War, it produced battleships, U-boats, tanks, howitzers, guns, utilities, and hun

Krupp - Wikipedia

The Arms of Krupp 1587-1968. (William Manchester) written by Charles. The late William Manchester, master of twentieth century popular history, made his reputation with this book, published in 1968. There will never be another book on the Krupp family like it, and not just because it's so long, nearly half a million words and a thousand pages.

The Arms of Krupp 1587-1968 book by William Manchester

Historians as well criticized "The Arms of Krupp" for its pretense as a scholarly work. There well may be a few cases where Manchester does not allow facts to get in the way of a good story, but more likely academic poo-pooing has more to do with envy over's Manchester's ability to make money from his historical writings.
