The Fall of the Faculty: The Rise of the All-Administrative University and Why It Matters. As status-seeking managers multiply, they pervert the university's core mission, Alan Ryan laments. Benjamin Ginsberg is a very angry man, and with good reason. The university that he joined in the early 1970s, which was a place where decisions were largely made by academics in the interests of teaching and research, has become a place where decisions are made by administrators.
