Lifestyle Business vs. Growth-Minded Business

The goal of a lifestyle business is to make enough money to be comfortable while having freedom and a good work-life balance while doing work that you enjoy. Many lifestyle businesses were started based on the owner's particular hobby or passion and represent their personal values. Lifestyle Business vs. Growth-Minded Business 00:00

What's the Difference between a Lifestyle Business and a ...

After twenty-five years as an entrepreneur, the most common misunderstanding is the difference between "lifestyle" and "scalable" businesses. While the term "lifestyle" seems to conjure up the vision of a mom and pop business like a flower shop or café, the specific type of business is generally not the central defining factor. Rather, the purpose of the business tends to segregate ...

The Lifestyle Business Owner from Entrepreneur Coach

Work-Life Balance for Small Business Owners . While running your own small business brings a lot of positive aspects to your workday, business owners are often particularly prone to spending too much time on the work side of the work-life teeter-totter.
