It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

If you are anything like me, choosing Amazon Kindle categories over at KDP is an utter nightmare in that little pop-up box, and the categories you can find here in the Kindle store, while helpful sometimes, just don't seem to reflect the complete list of categories you can choose from. With that in mind, here's an easy to browse copy of the Amazon Kindle book categories list so that ...

Amazon Kindle Categories & Subcategories List for Book Authors

As the nights grow longer and the days shorter, this beloved annual multireligious service honors the interplay of holy darkness and light in the world's religious traditions, including choral and instrumental music, readings by HDS students, the ritual kindling of many flames, and communal prayers and songs.

"Last Shot is Trainspotting meets Kitchen Confidential. Jock's ability to not sugarcoat the truth and his brutal honesty about his struggle with his inner demons will resonate with so many people. That coupled with his absolute passion for food, his commitment to highlighting the culture and food of Australia's First Nations People and his pure love for his family makes this a truly ...
