## **The Theory Of Communicative Action**

The Theory of Communicative Action was the subject of a collection of critical essays published in 1986. The philosopher Tom Rockmore, writing in 1989, commented that it was unclear whether The Theory of Communicative Action or Habermas's earlier work Knowledge and Human Interests (1968), was the most important of Habermas's works.

## **The Theory of Communicative Action - Wikipedia**

Jurgen Habermas built the theory of communicative action because he was looking for a way to ground social science within a theory of language. Published in a two-volume book, it would eventually become the foundation of future theories involving law, democracy, and morality. Communicative action serves to transmit cultural knowledge, renew it, and that processes ...
